Tournament Profile

Soccer teams of all ages and skill levels are invited to participate in our 16th annual Five-a-Side soccer tournament on Saturday, August 20, 2011 at Reddan Soccer Park in Verona, Wisconsin.

The Five-a-Side tournament is an excellent opportunity for teams to get a head start on their Spring seasons, and for younger kids to experience a tournament.

To ensure an enjoyable experience by all, we will attempt to group teams of similar ability level.

What is Five-a-Side?

Five-a-Side soccer is a fast-moving game which allows many touches on the ball for all players. Each team has four field players and a goalie on a small field with small goals. Referees are provided.

Games

The games consist of two 20-minute halves. All teams are guaranteed a minimum of 3 games. Schedules will allow for a minimum of 45 minutes between games.

Depending on weather or field conditions, tournament officials reserve the right to delay games, reduce the length of games, reschedule games, or cancel the tournament.

Roster Size

The maximum roster size for U10 teams and under is 12 players. This allows the younger teams to bring their entire team to the tournament.

The maximum roster size for U11 teams and older is 9 players.

Trophies

All players in the U8, U9 and U10 age brackets will receive a participation trophy at the completion of the tournament. This makes the tournament a winning experience for all of the younger players.

Championship games will be held at the U11 age bracket and above. Individual trophies for each player will be given to the first - and - second place teams in each division.
